Right of withdrawal

You have the right to withdraw from this contract within fourteen days without giving any reason. The withdrawal period is fourteen days from the date on which the contract is concluded.

To exercise your right of withdrawal, you must inform us by an unequivocal statement, for example a letter sent by post or an email, of your decision to withdraw. You may use the model form on page 2, but this is not mandatory.

To meet the deadline, it is sufficient for you to send your communication before the withdrawal period has expired.

Effects of withdrawal

If you withdraw from this contract, we will reimburse all payments received from you, including delivery costs, except for additional costs resulting from your choice of a type of delivery other than the least expensive standard delivery offered by us. Reimbursement will be made without undue delay and no later than fourteen days after we receive your withdrawal notice.

We will use the same means of payment as you used for the original transaction unless expressly agreed otherwise. You will not incur any fees as a result of the reimbursement.

If you requested that the service begin during the withdrawal period, you must pay a reasonable amount corresponding to the proportion of services already provided up to the time you informed us of your withdrawal.

Early expiry after full performance

For a contract that obliges you to pay a price, the right of withdrawal expires after the service has been fully performed only if, before performance began, you expressly consented to performance beginning before the end of the withdrawal period and confirmed your understanding that the right of withdrawal would expire upon complete performance.

Model Withdrawal Form

Complete and return this form only if you wish to withdraw from the contract.
